

Welcome to Paly!

Information for Course Selection

- All freshmen must enroll in classes for seven periods--including World History, English, Math, Science, and P.E. Jordan, JLS, and Terman staff will determine appropriate placements for Math. Students may self-select their English, World Language, and Science courses after reviewing their teacher's recommendation.
- Students must be enrolled in and attend a P.E. class in order to receive a grade and credit. P.E. credit is NOT given for participation in sports. Please note that "0" period PE is offered. This class starts at 7:00 am and meets 4 days/week. Students choosing "0" period PE will have a prep during the school day; they may not take 8 classes.
- Athletes: If you plan on participating in a Paly sport, please type "Athletics" in the course search box. Choose the course that corresponds to the sport you anticipate playing at Paly. These are only for Paly sports - not club sport teams. See reverse side of this sheet for more information.
- If you are genuinely interested in TEAM, choose TEAM in your course selection. However, this does not count in the number of courses you have selected, so you should still choose 2 electives.
- Please see reverse side of this sheet for information on PAUSD graduation and CSU/UC A-G college admission requirements.
